

All-electric aircraft

CX300
electric fixed-wing

Safe | Built-in redundancies and extensive real-world testing

Simple | Air cooling with no articulating surfaces or rotors

A250
eVTOL

Pragmatic | Purpose-built for simplicity and ease of operation

Inspired by Nature | Modeled after the long-migrating Arctic Tern

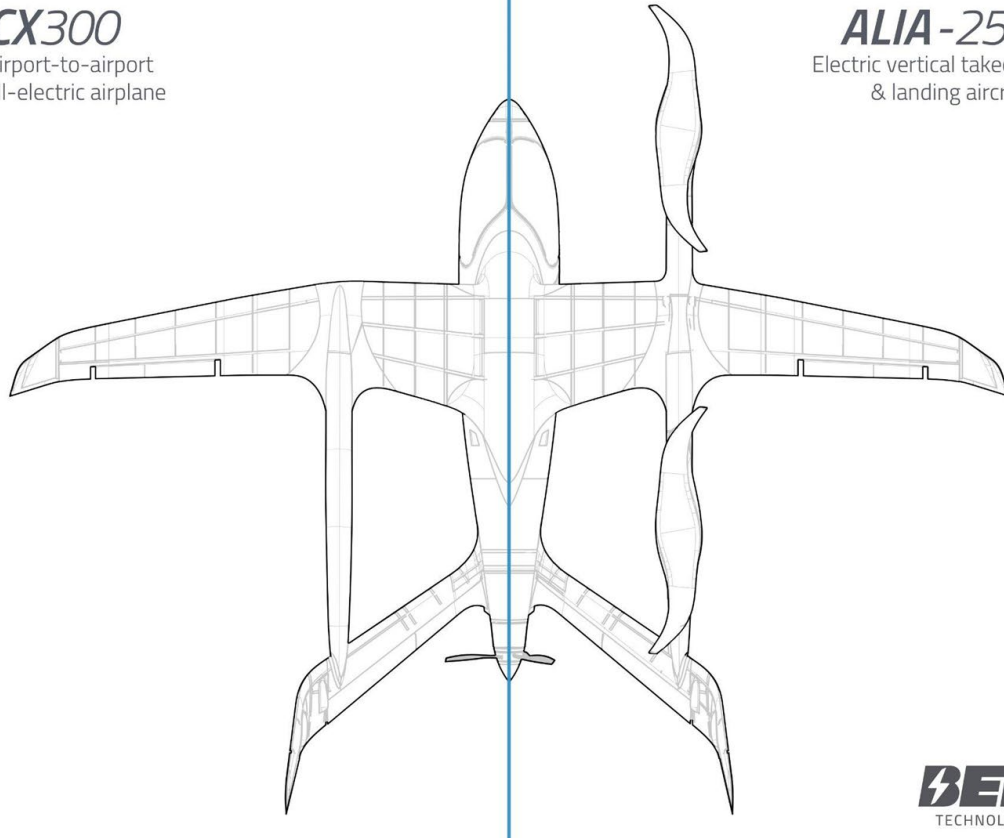

Maximizing a Common Design

CX300

Airport-to-airport
all-electric airplane

ALIA-250

Electric vertical takeoff
& landing aircraft
